

ADDENDUM NO. 1

CITY OF OLATHE, KANSAS
143rd SANITARY SEWER LAKESHORE MEADOWS WEST
CITY PROJECT NO.: 1-B-001-07

This addendum is to change the following items:

1. Sheet “6 of 9” has been replaced with Sheet “R6 of 9”.

2. Contract Document Pages BF-1 & BF-2 are replaced with RBF-1 & RBF-2.

See attached amended Bid Form.

A. Item 4. Remove HOBAS

B. Item 9. Add PVC. **Bidder shall CIRCLE the type of pipe to be used.**

3. Amend Measurement and Payments Page M&P-3 Item 4 to read as follows:

4. 4’ DIA. MANHOLE w/ 42” TEE

A. “4’ DIA. MANHOLE w/ 42” TEE” shall be measured by each acceptable unit in place and shall include 4’ Diameter LF Manufacturing FRP Riser and 42” Tee, all materials, excavation, backfilling and any other related work and materials to provide for a finished product as intended by the Contract Documents.

B. Payment shall be made at the Contract unit price as shown in the Proposal for “4’ DIA. MANHOLE w/ 42” TEE” which payment shall be full compensation for furnishing and installing all materials, and all appurtenant work required to allow the construction of the project as planned, based upon plan quantity.

4. Amend Measurement and Payments Page M&P-5 Item 9 to read as follows:

9. 42” PIPE

A. “42” PIPE” shall be measured by each acceptable lineal foot of pipe in place and shall include all related work to provide a finished project as intended by the Contract Documents. Measurement for payment shall be based on horizontal length of pipe actually installed as determined from the construction survey stationing. Pipe length shall be measured through all manholes and appurtenant structures, from the vertical centerline of the beginning manhole to the vertical centerline of the end manhole.

B. Payment shall be made at the Contract unit price as shown in the Proposal for “42” PIPE”, which payment shall be full compensation for all supervision, testing, plant, labor, materials and equipment required in furnishing and installing the sewer pipe complete as well as payment for temporary facilities, including resident project representative’s trailer; trench excavation, rock excavation, embedment, backfill, concrete

encasement, granular trench backfill; disposal of excavated material not used as back fill; dewatering as required; compaction; impervious ditch checks as indicated on the plans; rip rap as indicated on the plans; existing utility removal, replacement or relocation; traffic control; surface restoration; replacement of unsuitable pipe foundation material; creek crossings as indicated on the plans; tree saving; testing; video tape; and all appurtenant work required to allow the construction of the project as planned, based upon plan quantity.

5. Delete Bid Document Pages M&P-9 & M&P-10

BID FORM
CITY OF OLATHE, KANSAS

TO: CITY OF OLATHE
JOHNSON COUNTY, KANSAS

Gentlemen:

1. THE UNDERSIGNED BIDDER, having familiarized himself with the work required by the Contract Documents, the site where the work is to be performed, local labor conditions and all laws, regulations and other factors affecting performance of the work and having satisfied himself of the expense and difficulties attending performance of the work,
2. HEREBY PROPOSES and agrees, if this bid is accepted, to enter into agreement in the form attached to perform all work, including the assumption of all obligations, duties and responsibilities necessary to the successful completion of the contract and the furnishing of all materials and equipment required to be incorporated in and form a permanent part of the work; tools, equipment, supplies, transportation, facilities, labor, superintendence and services required to perform the work; and bonds, insurance and submittals; all as indicated or specified in the contract documents to be performed or furnished by the Contractor as follows:
